Mr. Yale

SUBJECT: Advanced Pay for Accountants

1. The attached newspaper clipping announces that Civil Service Commission has established a new advanced rate for GS-5 and GS-7 accountants in the GS-510 series. Chief, PMCD, inquired if the SF Career Service had any such people slotted in the 510 series. He was advised that we have one (1) GS-7 and one (1) GS-6 both of whom do not have accounting degrees, are not performing accounting duties, and therefore would not be eligible for the advanced pay.

2. stated that GS-7's and GS-6's currently on duty with four-year degrees (TAB A) should receive the advanced pay as well as any new hires at the GS-7 level with four-year degrees. GS-5's with four-year degrees would also qualify, if we were to ever have any. This would be accomplished by slotting the qualified individual in a "0" incumbency accountant position which would be established on the Position Control Register.

3. In 1966 when the GSF pay was established, the Agency set up criteria as reflected in TAB B which permitted an average of 96 SF Careerists in grades GS-5 through 9 to receive the premium pay. At that time, the Agency did have a shortage of accountants. Currently, we are not experiencing a shortage -- we have eleven (11) applicants in process with four-year degrees. It seems IRS is the CS agency which has the shortage.

STATINTL

4. I agree with that we should restrict this advanced pay to only those individuals with four-year degrees.

STATINTL

5. would like to know if this meets with our approval.

ACCOUNTANT PAY —
Exercising its authority to
offer premium pay to
shortage-category em-

ployes, the Civil Service
Commission has ordered
major hikes in the rates
for GS-5 and GS-7 accoun-
tants, government-wide,
effective at the start of the
first pay period beginning
on or after last Sunday.

For GS-5s, the new rates
range from \$9,492 to
\$11,806 with within-grade
steps of \$311; for GS-7, the
new range is \$10,471-
\$13,324, with steps of \$317.

For proof that the raises
really are major, compare
them with regular rates —
\$7,694-\$10,007 for GS-5 and
\$9,520-\$12,373 for GS-7.
